We cannot overlook the generosity of Matériaux Lajeunesse and La Babine, and we thank them for their sponsorship.

Congratulations to all the winners!

We thank the jury members, Geneviève Bilodeau-Roy, Media Manager at Spark Foundry, a Publicis agency in Montreal, and Alexandre Côté, Digital Imaging Technician at Mels Film Studios in Montreal, for the time they dedicated to selecting the photos. We also thank Jean Côté, President of the LOHA, for receiving and sending the photos to the jury.

### Methodology

All images were anonymized and sent to the jury by email for a "blind" evaluation. Each photo was assessed based on its technical value (composition, framing, exposure, focus) and artistic value. Attached is a slideshow of all the photos from the winners and participants, shared via email and on the Facebook group "L'Écho du lac de l'Original."

Thank you to all the participants and winners of the contest!
